A radar chart showing the distribution of the number of children per family in 1990. The chart has five concentric circles representing the number of children (0, 1, 2, 3, 4) and five radial axes representing different regions. The data points are: 0 children (18.8), 1 child (19.7), 2 children (3.8), 3 children (3.5), and 4 children (5.2).
